

that all requirements for the public agency and the identified individual(s) are met, NRCS will perform the actions described in paragraph (c)(1) through (c)(3) of § 652.22. The Certification Agreement entered into with the public agency shall:

(1) Identify the certified individuals that are authorized to perform technical services on behalf of and under the auspices of the public agency's certification;

(2) Require that the public agency have, at all times, an individual that is a certified technical service provider and is an authorized official of the public agency;

(3) Require that the public agency promptly provide to NRCS for NRCS approval an amended Certification Agreement when the list of certified individuals performing technical services under its auspices changes;

(4) Require that responsibility for any work performed by non-certified individuals be assumed by a certified individual that is authorized to act on the public agency's behalf; and

(5) Require that the public agency be legally responsible for the work performed by any individual working under the auspices of its certification.

(d) NRCS may, in accordance with the decertification process set forth in subpart C of this part, decertify the public agency, the certified individual(s) acting under its auspices, or both the public agency and the certified individual(s) acting under its auspices.

§ 652.25 Alternative application process for individual certification.

(a) NRCS may enter into an agreement, including a memorandum of understanding or other appropriate instrument, with a recommending organization that NRCS determines has an adequate accreditation program in place to train, test, and evaluate candidates for competency in a particular area or areas of technical service delivery and whose accreditation program NRCS determines meets the certification criteria as set forth for the technical services to be provided.

(b) Recommending organizations will, pursuant to an agreement entered into with NRCS:

(1) Train, test, and evaluate candidates for competency in the area of technical service delivery;

(2) Recommend to NRCS individuals who it determines meet the NRCS certification requirements of § 652.21(a) for providing specific practices or categories of technical services;

(3) Inform the recommended individuals that they must meet the requirements of this part, including entering into a Certification Agreement with NRCS, in order to provide technical services under this part;

(4) Reassess individuals that request renewal of their certification pursuant to § 652.26 through the recommendation of the organization; and

(5) Notify NRCS of any concerns or problems that may affect the organization's recommendation concerning the individual's certification, recertification, certification renewal, or technical service delivery.

(c) Pursuant to an agreement with NRCS, a recommending organization may provide to the appropriate NRCS official a current list of individuals identified by the recommending organization as meeting NRCS criteria as set forth in § 652.21(a) for specific practices or categories of technical service and recommend that the NRCS official certify these individuals as technical service providers in accordance with this part.

(d) NRCS will, within 60 days, make a determination on the recommendation for certification issued by the recommending organization. If NRCS determines that all requirements for certification are met by the recommended individual(s), NRCS will perform the actions described in paragraphs (c)(1) through (c)(3) of § 652.22.

(e) NRCS may terminate an agreement with a recommending organization if concerns or problems with its accreditation program, its recommendations for certification, or other requirements under the agreement arise.

§ 652.26 Certification renewal.

(a) NRCS certifications are in effect for a time period specified by NRCS in the Certification Agreement, not to exceed 3 years and automatically expire

§ 652.31

unless they are renewed for an additional time period in accordance with this section.

(b) A technical service provider may request renewal of an NRCS certification by:

(1) Submitting a complete certification renewal application to NRCS or through a private sector entity, a public agency, or a recommending organization to NRCS at least 60 days prior to expiration of the current certification;

(2) Providing verification on the renewal form that the requirements of this part are met; and

(3) Agreeing to abide by the terms and conditions of a Certification Agreement.

(c) All certification renewals are in effect for a time period specified by NRCS in the Certification Agreement, not to exceed three years and before expiration, may be renewed for subsequent time period in accordance with this section.

Subpart C—Decertification

§ 652.31 Policy.

In order to protect the public interest, it is the policy of NRCS to maintain certification of those technical service providers who act responsibly in the provision of technical service, including meeting NRCS standards and specifications when providing technical service to participants. This section, which provides for the decertification of technical service providers, is an appropriate means to implement this policy.

§ 652.32 Causes for decertification.

A State Conservationist, in whose State a technical service provider is certified to provide technical service, may decertify the technical service provider, in accordance with these provisions, if the technical service provider, or someone acting on behalf of the technical service provider:

(a) Fails to meet NRCS standards and specifications in the provision of technical services;

(b) Violates the terms of the Certification Agreement, including but not limited to, a demonstrated lack of understanding of, or an unwillingness or inability to implement, NRCS stand-

ards and specifications for a particular practice for which the technical service provider is certified, or the provision of technical services for which the technical service provider is not certified;

(c) Engages in a scheme or device to defeat the purposes of this part, including, but not limited to, coercion, fraud, misrepresentation, or providing incorrect or misleading information; or

(d) Commits any other action of a serious or compelling nature as determined by NRCS that demonstrates the technical service provider's inability to fulfill the terms of the Certification Agreement or provide technical services under this part.

§ 652.33 Notice of proposed decertification.

The State Conservationist will send by certified mail, return receipt requested, to the technical service provider proposed for decertification a written Notice of Proposed Decertification, which will contain the cause(s) for decertification, as well as any documentation supporting decertification. In cases where a private sector entity or public agency is being notified of a proposed decertification, any certified individuals working under the auspices of such organization who are also being considered for decertification will receive a separate Notice of Decertification and will be afforded separate appeal rights following the process set forth below.

§ 652.34 Opportunity to contest decertification.

To contest decertification, the technical service provider must submit in writing to the State Conservationist, within 20 calendar days from the date of receipt of the Notice of Proposed Decertification, the reasons why the State Conservationist should not decertify, including any mitigating factors as well as any supporting documentation.

§ 652.35 State Conservationist decision.

Within 40 calendar days from the date of the notice of proposed decertification, the State Conservationist will issue a written determination. If the
